

Inside Apprentice Monthly Work Report

Due in the JATC Office no later than the 10th of each month - **PLEASE PRINT CLEARLY IN ORDER TO RECEIVE CREDIT FOR YOUR WORK REPORT**
 Accepted ways of turning your work report in are: cnjytc.org, e-mail, the drop-box, by fax, by mail or the mailbox drop-box

Apprentice ID# _____ Date _____

Last Name, First Name _____

Period _____ Employer/Contractor _____

Month Ending _____

Enter the Number of Actual Clock Hours (including overtime) for each category worked this month. You DO NOT need to include zeros.

<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Project Layout & Planning – reading & interpreting blueprints & specifications / coordination between crafts, engineers & architects / layout feeders, risers & branch circuits	<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Motor Installation – Rigging and setting / Alignment / Circuiting and terminations / Testing
<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Underground Installations – Trenching & ditch doffing / direct burial / installing PVC rigid conduit / Installing grounding electrode systems	<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Control System Installation – Blueprint & specification interpretation / layout & circuit installation / Calibration
<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Thinwall Conduit Raceway Systems – Fastening & supporting devices / conduit fabrication / installation of conduit, fitting & boxes	<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Installing & Programming Programmable Logic Controllers – Module installation / control wiring and devices / programming
<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Rigid Conduit Raceway Systems – Fastening & supporting devices / Bender setup / Conduit fabrication / Installation of conduit, fittings and boxes	<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Installing Instrumentation & Process Control Systems - Blueprint & specification interpretation / Layout & installation / Calibration
<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Installing Services – Mounting devices / installing circuit breakers and fuses / Core drilling and outlet installation	<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Security System Installation – Blueprint & specification interpretation / Layout / Box & circuit installation / termination & testing
<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Floor Duct Installation – Transit-grade establishment / Installing duct & fittings / Core drilling & control wiring	<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Installing Sound & Communications Systems – Blueprint & Specification interpretation / Layout / Conduit & box Installation / Installing panels & network devices / Circuit Installation / Terminations & testing
<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Motor Control Center Installation – Rigging & mounting / Terminating feeders, branch circuits & control wiring	<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Installing & Terminating Transformers – Rigging & mounting / Primary & secondary terminations / Testing & Troubleshooting
<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Installing, Splicing & Terminating Wires & Cables – Establishing temporary power / Feeders & branch circuits / Control wiring / Splices, taps & terminations	<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Installing Fiber Optic Cable – Equipment layout / Installing cable / Polishing & terminating / Testing & verifying
<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Cable Tray Installation – Fabrication / Installing support Devices / Installing cable tray and covers	<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Welding & Brazing – Machine setup / Fabrication / Welding, grinding & finishing
<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Lighting System Installation – Installing outlet boxes & Conductors / Installing fixtures / Installing control devices	<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Service & Troubleshooting – Testing, analysis & repair of: motors, transformers, electronic devices, magnetic Devices, lighting & power circuits, equipment & machinery control circuits & devices.
<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Testing & troubleshooting Feeders, Motors & Branch Circuits – Checkout circuit continuity / Identifying fault Current to ground / Meggering & hi-potting / certifying System operation / Repair & maintenance / ground verification	<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Material handling & Pre-Fabrication – Material-equipment awareness / Fabricating for field installation
<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Fire Alarm Installation – Blueprint & specification Interpretation / Layout & circuit installation / control panel & device installation / programming & testing	<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Other Specialized Areas – (Briefly Describe) _____ _____ _____
<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Total Number of Hours you worked this month	<input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/> <input style="width: 20px; height: 20px; border: 1px solid black;" type="text"/>	Of the total number of hours that were available to you, Indicate the number of hours you DID NOT work

Indicate the reason(s) and number of hours for absenteeism. Show hours for ALL that apply:

Illness, Medical Or Injury

Personal

Scheduled Vacation

Central New York JATC ~ 4566 Waterhouse Road ~ Clay, NY 13041
